1                   S T I P U L A T I O N S :

2       IT IS STIPULATED AND AGREED by and between the  
3       attorneys for the respective parties herein, and in  
4       compliance with Rule 221 of the Uniform Rules for  
5       the Trial Courts:

6       THAT the parties recognize the provision of Rule  
7       3115 subdivisions (b), (c) and/or (d). All  
8       objections made at a deposition shall be noted by  
9       the officer before whom the deposition is taken,  
10      and the answer shall be given and the deposition  
11      shall proceed subject to the objections and to the  
12      right of a person to apply for appropriate relief  
13      pursuant to Article 31 of the C.P.L.R.;

14      THAT every objection raised during a deposition  
15      shall be stated succinctly and framed so as not to  
16      suggest an answer to the deponent and, at the  
17      request of the questioning attorney, shall include  
18      a clear statement as to any defect in form or other  
19      basis of error or irregularity. Except to the  
20      extent permitted by CPLR Rule 3115 or by this rule,  
21      during the course of the examination persons in  
22      attendance shall not make statements or comments  
23      that interfere with the questioning.

24      THAT a deponent shall answer all questions at a  
25      deposition, except (i) to preserve a privilege or  
26      right of confidentiality, (ii) to enforce a  
27      limitation set forth in an order of a court, or  
28      (iii) when the question is plainly improper and  
29      would, if answered, cause significant prejudice to  
30      any person. An attorney shall not direct a  
31      deponent not to answer except as provided in CPLR  
32      Rule 3115 or this subdivision. Any refusal to  
33      answer or direction not to answer shall be  
34      accompanied by a succinct and clear statement on  
35      the basis therefore. If the deponent does not  
36      answer a question, the examining party shall have  
37      the right to complete the remainder of the  
38      deposition.

39      THAT an attorney shall not interrupt the deposition  
40      for the purpose of communicating with the deponent  
41      unless all parties consent or the communication is  
42      made for the purpose of determining whether the  
43      question should not be answered on the grounds set  
44      forth in Section 221.2 of these rules, and, in such

1 event, the reason for the communication shall be  
2 stated for the record succinctly and clearly.

3 THAT the failure to object to any question or to  
4 move to strike any testimony at this examination  
5 shall not be a bar or waiver to make such objection  
6 or motion at the time of the trial of this action,  
7 and is hereby reserved; and

8 THAT this examination may be signed and sworn to by  
9 the witness examined herein before any Notary  
10 Public, but the failure to do so or to return the  
11 original of the examination to the attorney on  
12 whose behalf the examination is taken, shall not be  
13 deemed a waiver of the rights provided by Rule 3116  
14 and 3117 of the C.P.L.R, and shall be controlled  
15 thereby; and

16 THAT the certification and filing of the original

4 as follows:

5 EXAMINATION BY

6 MR. SEGAL:

7 Q. State your name for the record, please.

8 A. Nino Martinenko.

9 Q. State your address for the record, please.

10 A. 8309 3rd Avenue, 2nd Floor, Brooklyn, New  
11 York 11209.

12 Q. My name is Mitch Segal. I represent the  
13 defendants in this matter. Good morning.

14 A. Morning.

15 Q. So I'm going to ask you several questions.  
16 Have you ever been in a deposition before?

17 A. No.

18 Q. Okay. So I'll ask you questions. Please  
19 wait until I'm done stating the question. You have  
20 to give an audible answer, yes or no, so the  
21 transcriber can report that.

22 Let me ask you a question: Did you meet  
23 with your attorney prior to this deposition?

24 A. We met a couple of times in general. And  
25 you mean to prepare for the deposition?

1 N. Martinenko

2 Q. When was that?

3 A. No. I'm making sure I'm getting the  
4 question correctly.

5 Q. Okay.

6 A. Are you asking me if I met him to prepare  
7 for this?

8 Q. Yes.

9 A. I met him about a month ago. And he -- I  
10 just -- because I wasn't familiar what it was  
11 about. He just took me through the, you know, how  
12 it usually goes. That's all.

13 Q. Did you speak with him subsequent or after  
14 the month ago about the deposition and potential  
15 questions and responses?

16 A. Not that I remember, but maybe. I just had  
17 few questions --

18 Q. Well, it was only a month ago, so your  
19 memory has -- we're going to be talking about  
20 several years ago, right?

21 A. Okay.

22 Q. So if you can't remember 30 days ago, how  
23 are you going to remember several years ago?

24 A. No. Well, we didn't go through questions.  
25 I just had questions myself, what was it going to

1 N. Martinenko

2 be about. And he kind of took me through the  
3 process.

4 Q. Okay. When was the last time you did that?

5 A. That was one and only time we did, about a  
6 month ago.

7 Q. Okay. That's fine. Are you able to  
8 testify truthfully today?

9 A. Yes.

10 Q. Did you have any alcoholic beverages in the  
11 last 24 hours?

12 A. No.

13 Q. Any drugs?

14 A. No.

15 Q. Are you on any prescription medications?

16 A. Nope.

17 Q. You said you lived -- what was the address?

18 THE REPORTER: 8309 3rd Avenue, 2nd  
19 Floor, Brooklyn, New York 11209.

20 Q. You said second floor. Is there an  
21 apartment?

22 A. Yes.

23 Q. Can we have the apartment?

24 MR. DiGIULIO: Objection to  
25 relevancy.

1 N. Martinenko

2 MR. SEGAL: Addresses, we need a  
3 correct address.

4 Q. So second floor. What apartment number is  
5 that?

6 A. It's just one apartment on that floor.

7 Q. Okay. That's fine.

8 Okay.

9 So Nino, where were you -- are you a U.S.  
10 citizen?

11 A. Yes.

12 MR. DiGIULIO: Objection. You can  
13 answer.

14 A. Yes, I am.

15 Q. And when did you come to the U.S.?

16 A. 2012.

17 Q. And what's your educational background?

18 A. I have a bachelor's degree on economics and  
19 finances.

20 Q. On what? I'm sorry?

21 A. Economics and finances.

22 Q. Where was that? Where did you get that?

23 A. Back in my country, in Georgia, the  
24 republic of Georgia.

25 Q. So you're from where originally?

1 N. Martinenko

2 A. I am from the country Georgia.

3 Q. Georgia in Russia, is that --

4 A. It's not in Russia. It's next to Russia.

5 (Reporter clarification.)

6 Q. When you came to the U.S., what has been  
7 your occupation from 2012 on?

8 A. Well, I worked different places for about a  
9 couple of months. And then I started a server job  
10 at the restaurant.

11 Q. Okay. So -- okay. So a couple of places  
12 just for a couple of months?

13 A. Yeah. Before I found where I wanted to  
14 stay for longer than couple of months.

15 Q. Okay. And when was that?

16 A. I don't understand the question.

17 Q. In other words, so you did a couple -- what  
18 were the prior jobs?

19 MR. DiGIULIO: Objection to form.  
20 Prior to what?

21 MR. SEGAL: The prior jobs. She  
22 said she worked at three different jobs --

23 (Simultaneous speakers.)

24 A. I didn't mention any job.

25 Q. Okay. So let's go through that.

1 N. Martinenko

2 Where did you work first?

3 A. I worked for a store that would sell fur  
4 coats. I was just bag consultant -- like  
5 consulting people.

6 Q. And what store was that?

7 A. It was called Premier Fur, I think.

8 Q. And where was that located?

9 A. It was in Brooklyn on 86th Street and  
10 Bensonhurst. I don't exactly remember the address.

11 Q. Okay. And when did you start there?

12 A. I would say I started probably at, like --

13 MR. SEGAL: Off the record.

14 (Whereupon, a discussion was held  
15 off the record.)

16 A. Okay. Yeah, I don't exactly remember. It  
17 was probably September when I started there.

18 Q. Okay. Of 2012?

19 A. No. I'm sorry. 2013.

20 Q. Okay. And how long did you work there for?

21 A. Couple of months. I would say until  
22 November.

23 Q. Okay.

24 A. And then --

25 Q. Yeah. Okay. Why did you leave, or what

1 N. Martinenko

2 was the --

3 A. It wasn't enough income. So I was looking  
4 for something else.

5 Q. And what was your next position?

6 A. My next position was a server.

7 Q. And where was that?

8 A. It was a Georgian restaurant in Manhattan.  
9 It's called Oda House. O-D-A House.

10 (Reporter clarification.)

11 A. That's where I started working as a server.

12 Q. And how long did you stay there for?

13 A. Until 2015 May, I'm assuming. Yeah, May.

14 Q. So roughly two years or so?

15 A. Yeah.

16 Q. And why did you leave Oda House?

17 A. I just did not feel good there, meaning,  
18 like, certain people would not make me feel good  
19 there. So I just had to leave.

20 Q. What does that mean exactly?

21 A. Well, there were a couple of employees that  
22 would just go gossiping. And one of them -- I  
23 don't know if it's appropriate to say. One of them  
24 had crush on me, which would really make me feel  
25 uncomfortable there, so I just had to leave.

1 N. Martinenko

2 Q. Did you report that --

3 A. No.

4 Q. -- to Oda House?

5 A. Nobody was harassing me. Why would I  
6 report it? I just decided to leave myself.

7 Q. Did you sue Oda House?

8 A. No.

9 Q. What was your next position?

10 A. My next position was a server at 212  
11 Steakhouse.

12 Q. Okay. So let's talk about that. When did  
13 you start?

14 A. It was -- I'm assuming the end of June or  
15 beginning of July of 2015.

16 Q. When did you complete your --  
17 Well, withdraw.

18 When did you last work at 212 Steakhouse?

19 A. I have two terms working there. The first  
20 time when I left 212 Steakhouse was 2018 December,  
21 and then I got back there in 2020 -- I mean '21,  
22 beginning. I lasted until December '21. It was  
23 about New Year's when I got fired.

24 Q. What was your position at 212 Steakhouse?

25 A. My position was called a server.

1 N. Martinenko

2 Q. Why do you say it was called --

3 A. Because I would do more than servers would  
4 do.

5 Q. What would you do that was more than  
6 servers do? Well, let me -- what do servers do  
7 normally?

8 A. Well, they serve people. They take orders,  
9 they put that in the POS system. They send orders.  
10 They make sure they serve drinks. They order  
11 drinks for the customers. They, you know, make  
12 sure the food comes out on time. They present food  
13 to the customers when it comes out, and they check  
14 on them if they have been enjoying the food. And  
15 at the end, they present the check, and they charge  
16 their cards or they take cash (unintelligible).

17 (Reporter clarification.)

18 Q. What was the ending of that, they charge  
19 their cards and what?

20 A. They charge their cards or take the cash  
21 payment depending on how they're paying.

22 Q. So you did that as a server?

23 A. Yes.

24 Q. What else did you do? You said you did  
25 more than a server, so what else did you do?

1 N. Martinenko

2 A. Okay. Well, I also did take phone calls,  
3 take reservations. Okay. I actually was spending  
4 a lot of hours just doing that, which was not my  
5 position. I would also be in charge to, let's say,  
6 order desserts to certain places where they  
7 would -- you know, if I had -- if I would forget,  
8 let's say, ordering desserts, and we were out of  
9 desserts, I would be in trouble because that was my  
10 responsibility to do --

11 Q. Who gave you that responsibility?

12 A. I -- I mean, there was nobody else to do  
13 it, and then -- there was a girl there that would  
14 do it before me, but then just because she wasn't  
15 there anymore, it just automatically became my job.

16 Q. Okay. Let's go back. Someone must have --

17 (Reporter clarification.)

18 Q. Let me ask the questions.

19 (Reporter clarification.)

20 Q. I'll ask the question again.

21 Who told you to order desserts?

22 A. Imran Sajid.

23 Q. Who?

24 A. Imran.

25 Q. And who is Imran?

N. Martinenko

A. He's the person that works there as well.

I don't exactly know what his position is, but he acts as if he's an owner too of the restaurant.

Q. You said that a prior girl was doing the desserts and then you took that over. Did someone tell you to take that over?

A. I just told you it was Imran.

Q. And what did he tell you exactly?

A. If I could start ordering desserts now that the girl wasn't there anymore.

Q. And how did you know how to order desserts?

A. Well, he gave me a phone number, and I started calling that number and ordering desserts.

Q. How long did that take you?

A. Depending on how busy that dessert place was, it would have been ten minutes, fifteen or twenty.

Q. Okay. Other than ordering dessert, what else did you do that wasn't a server responsibility?

MR. DiGIULIO: Objection.

Misrepresents testimony. You can answer.

THE WITNESS: Should I answer?

MR. DiGIULIO: Yes, please answer.

1 N. Martinenko

2 A. Well, I also mentioned the phone calls.  
3 That's not a server position. Besides ordering  
4 desserts, I would also be in charge to write  
5 paychecks, like, for the -- for the other  
6 employees.

7 Q. Okay. That's fine.

8 Let's go back to the phone calls.

9 A. Mm-hmm.

10 Q. How many phone calls did you take per day?

11 A. I didn't count, but it was at least 50.

12 Q. How long was each phone call?

13 A. Depending on what they wanted, it would  
14 have been two minutes, three minutes or more.

15 Q. So what were your hours that you worked?

16 A. If I was doing double, like double shift,  
17 it would've been starting from 1:00 and then  
18 finishing up until closing, which was never a  
19 certain time because it depended what -- like what  
20 was the latest reservation and what time last  
21 customer would walk in, and then what time they  
22 would decide to leave. So basically, I can say it  
23 was maybe until 12:00 a.m., sometimes longer.

24 Q. What time did you come in to the  
25 restaurant?

1 N. Martinenko

2 A. If I was opening, meaning if it was a  
3 double shift, I would have been there 11:30,  
4 somewhere that time. Yeah.

5 Q. 11:30. So let's focus on the double shift  
6 for a second. So you came in at 11:30, and when  
7 did you work until?

8 A. Double shift means that I was staying there  
9 until closing. So it would have been 12:00 a.m.,  
10 1:00 a.m. I don't know. If it was -- if we were  
11 super lucky maybe until 11:00 p.m. But usually  
12 that's how long it would have been.

13 Q. On average, what was it? 11:00 p.m.?

14 A. Average, I would say 12:00 a.m.

15 Q. And how many days -- how many days a week  
16 did you do a double shift?

17 A. Two mostly. Two or three.

18 Q. Okay. What was it, two or three?

19 A. Well, schedule would change. So it could  
20 have been two or three. It wasn't same exact thing  
21 every week.

22 Q. Would you say that fifty percent of the  
23 time, you did two or three, or was it --

24 A. Fifty percent of the --

25 Q. Eighty, or what do you think?

1 N. Martinenko

2 A. I would do fifty percent of the time, it  
3 would have been two days, double.

4 Q. Was the restaurant closed during that  
5 double shift at all?

6 A. If there was no customers doing lunch  
7 there -- which is basically -- that's how it would  
8 go, like there were no customers -- officially we  
9 would announce it was closed at 4:00 because that's  
10 when the other staff would come in for the dinner  
11 shift. And that's when we would start preparation  
12 for dinner. So it was basically closed from 4:00  
13 to 5:00.

14 Q. Okay. I'm familiar with the restaurant, as  
15 you know.

16 A. I've served you couple of times.

17 Q. Yes, you did. And it's not a busy lunch;  
18 is it?

19 A. There's basically no business for lunch, at  
20 least for those days when I worked there.

21 Q. Am I incorrect to state that lunch  
22 wasn't -- that was always an issue, to open for  
23 lunch or not, because it wasn't that busy?

24 A. Issue --

25 Q. In other words, didn't the restaurant close

1 N. Martinenko

2 sometimes for lunch, and in the beginning it wasn't  
3 really open for lunch, and then it opened up for  
4 lunch later, and it wasn't successful, and it  
5 closed again? Is that not the truth?

6 A. Yeah, it was couple of times that they  
7 didn't do lunch. But then they would reopen it  
8 again. Yes.

9 Q. Okay. So let's focus on that for a second.  
10 So during your tenure, right, how many  
11 times --

12 Withdrawn.

13 During the time you worked there --

14 A. Mm-hmm.

15 Q. -- which was according to your complaint --  
16 well, actually let's take a step back.

17 So really the years that we're talking  
18 about here are two thousand -- even though you said  
19 you worked from 2016 to 2018, the years we're  
20 talking about are 2016 to '18, and then from '21 --  
21 January '21 to December '21. So forget about 2015  
22 because that's not really applicable. It doesn't  
23 go back six years, which is the complaint's  
24 statute.

25 So during 2016 to 2018, right -- which is,

1 N. Martinenko

2 I guess, three years; let's assume that for the  
3 time being -- and then another year from '21 to --  
4 from '21, so four years, how many months was the  
5 restaurant closed for lunch?

6 A. I can't really answer that question. I  
7 don't know exactly.

8 Q. Can you speculate --

9 MR. DiGIULIO: Objection. Calls --

10 A. I can't.

11 MR. DiGIULIO: -- speculation. You  
12 can answer, if you can.

13 Q. Can you guess?

14 A. I can't.

15 Q. To the best of your recollection, was it  
16 five months, ten months, a year?

17 A. I can't remember. I can't answer that  
18 question. Like, I might make a mistake. So I  
19 can't answer that question.

20 Q. That's all right. I don't want you to make  
21 a mistake. So you don't have any recollection  
22 whether the restaurant was opened or closed from  
23 2016 to 2018 for lunch?

24 A. Maybe it wasn't open all the time, but  
25 most -- most of those time, it was open for lunch.

1 N. Martinenko

2 Q. But you can't determine the amount of  
3 months?

4 A. I can't tell you exact amount of months how  
5 many days it was closed or how many months.

6 Q. Okay.

7 A. But a lot of time, it was open, and I  
8 worked.

9 Q. But you can't tell me that either. If you  
10 don't know when it was closed, you can't tell me  
11 when it was open; is that correct?

12 A. Well, I remember working there for lunch.

13 Q. No one's saying you didn't --

14 A. But --

15 Q. All I'm saying is if you can't tell me the  
16 amount of months it was closed from 2016 to 2018 --

17 A. Okay.

18 Q. Then the reciprocal, you can't tell me when  
19 it was open --

20 MR. DIGIULIO: Objection to form.

21 No one's saying you didn't work.

22 A. The only thing I'm saying right now is that  
23 I would never think this would happen, and I didn't  
24 just decide to memorize when it was open and when  
25 it was closed. So it was just --

1 N. Martinenko

2 Q. What do you --

3 A. -- as a human being, I'm telling you I  
4 don't remember exactly how many months it was  
5 closed. But most of it, it was open for lunch.

6 Q. What do you mean you didn't expect this to  
7 happen? What does that --

8 A. I mean I wasn't planning on suing anybody.  
9 Why would I start remembering when was it open?

10 Q. So what determined that you were suing?

11 A. I'm sorry?

12 Q. What was the decision that made you sue?

13 A. Because it was very unfair how I got fired.

14 Q. So it's about the firing; is that correct?

15 A. It's about the firing, about me not getting  
16 paid, whatever the labor law is about.

17 (Simultaneous speakers.)

18 Q. Well, just to be honest with you -- so  
19 you've made statements in this complaint.

20 A. Mm-hmm.

21 Q. And you said it was opened, you worked this  
22 time. But if you don't remember, these statements  
23 can't carry weight, so to speak.

24 (Simultaneous speakers.)

Q. Are these your statements as to when you worked in this complaint?

A. I don't understand the question.

Q. Okay. Have you read this complaint?

A. Yes.

MR. DiGIULIO: Objection. It's not in evidence. You're not showing it to her, this complaint.

Q. Okay. Let's -- you want to do this? We'll do this. Okay. This will be Exhibit 1 for defendants.

(Defendant's Exhibit 1, complaint, was marked for identification.)

(Whereupon, a discussion was held off the record.)

Q. I show you Defendant's Exhibit 1. Are you familiar with this complaint?

A. I've seen it, yes.

Q. Did you read it?

A. I did. It's -- yeah, I just.

Q. What was the last --

A. Long time ago I --

1 N. Martinenko

2 Q. When was the last time you read it?

3 A. I only read it once, and it was probably

5 Q. I'd like you to take some time and review  
6 that complaint.

7 A. The whole thing?

8 Q. Well, let --

11 Q. We're talking over each other. I don't

14 Q. That's okay. Let's focus on -- let's focus  
15 on the facts, which is paragraph 20 --

17 Q. -- until paragraph 32. Why don't you just  
18 read those over.

19 A. (Perusing.)

20 Okay.

21 Q. Okay. So in anywhere on these facts, do  
22 you state that the restaurant was closed during the

question, please. Okay. And anywhere in these facts, do you state that during the time period that you worked, approximately 50 percent of the time you did double shifts? It's a yes-or-no question.

A. Can you --

MR. DiGIULIO: Objection. The exhibit speaks for itself. You can answer.

A. And can you repeat your question because --

Q. Sure. Is there anywhere in this complaint or these facts, the paragraphs that you just read, does it state that during the time you were employed, you worked double shifts, meaning the restaurant was open for lunch 50 percent of the time?

MR. DiGIULIO: Same objection. You can answer.

Q. Yes or no?

A. I still -- I mean, I'm trying to understand what the question is about.

Q. I mean, I can't be clearer.

A. Fifty percent of the time meaning -- who said it was 50 percent of the time I was doing double shifts?

1 N. Martinenko

2 Q. Does it say that --

3 A. It doesn't --

6 A. I told you I was doing 50 percent of --

7 Q. You said two to three times --

8 (Simultaneous speakers.)

9 Q. -- per week. Does it state that in here?

10 A. It says here two to three lunch shift  
11 lasting about two hours. It's paragraph 24.

12 Q. Okay. Does it say that the restaurant was  
13 closed at any time during that time period that you  
14 worked?

15 A. It doesn't say --

16 Q. Okay.

17 A. But it was couple of months maybe that it  
18 was just closed. Most of the time it was open for  
19 lunch.

20 Q. Well, you just said you didn't remember  
21 when it was closed?

22 A. Because it was so -- it was such a minor --  
23 it was a little bit when it wasn't open.

Q. What does for a bit mean?

A. Like couple of months.

Q. Do you know what year that was?

A. No. I don't remember exactly what year was that.

Q. Okay. Does it state in here anywhere that you ordered desserts?

A. I don't think so.

Q. But you read this right prior to filing?

A. I didn't -- I'm repeating. I read it once, and it was probably a month ago. And I don't remember reading desserts.

Q. You read this only a month ago?

A. Yeah.

Q. Did you read it prior to 1/20/22?

A. 1/20 -- what's --

Q. When the complaint was filed?

A. Oh, prior to that, we just spoke, me and my lawyer. And I was familiar with what was going on here, but I didn't read it.

Q. I'm not sure what that means, what was going on here?

1 N. Martinenko

2 A. I mean, I know what we spoke about, but I  
3 didn't read the thing.

4 Q. You didn't read the complaint prior to its  
5 filing; is that correct?

6 A. It was sent to me, and I -- I read it, but  
7 I didn't really go into the details. Like I --

8 Q. Did you read it, or you didn't read it? In  
9 other words --

10 A. So I didn't have a printed copy. It was on  
11 my phone. So it was kind of impossible for me to  
12 read the whole thing. So I kind of went over it.  
13 But one month ago, I read the whole thing.

14 Q. But you didn't really read it prior to its  
15 filing --

16 A. No.

17 Q. Is that correct?

18 A. No. I mean, I did read it but not  
19 thoroughly.

20 Q. Okay. Thank you. When you started working  
21 here, was that when the restaurant first opened?

22 A. It was open before -- before I started.

23 Q. How many years before; do you know?

24 A. As I know, they opened in 2014. But I  
25 wasn't there.

1 N. Martinenko

2 Q. Okay. So relatively in the beginning you  
3 started; is that correct?

4 A. Yeah, correct. A year later, yeah.

5 Q. And I'm familiar with the restaurant  
6 because I live nearby. It wasn't that busy; is  
7 that correct?

8 A. It was okay, I think.

9 Q. Isn't it true that it took a decent amount  
10 of time to pick up at some point?

11 A. It was -- when I started, it was pretty  
12 busy, and it got busier afterwards. But I don't  
13 think it was slower or bad business.

14 Q. When were -- because you say you worked  
15 until 12:00 a.m., that restaurant was never open  
16 that late during the initial years that you worked.  
17 So I'm curious why you say 12:00 a.m.?

18 A. Restaurant being open doesn't mean that  
19 there are no customers inside. You might not  
20 receive new customers at 12:00, but somebody that  
21 worked inside the restaurant at 9:30 or 10:00 could  
22 stay longer than 12:00 a.m. You can't really kick  
23 the customers out.

A. It was I think 10:30.

Q. Okay. So let me ask a practical question,  
and please let me finish. If the kitchen closed at  
10:30 --

A. Mm-hmm.

Q. -- why were you there until 12:00 a.m.?

A. Working at the restaurant -- I guess you  
have never done that -- 10:30 is -- when your  
kitchen is open until 10:30, that means if you  
receive -- if you start serving a customer that  
orders their food at 10:00 or 10:30, they need time  
to finish up their meal, have their drinks. From  
10:30 to 12:00, how long is that? One hour and a  
half. So yeah.

Q. So are you telling me that when the -- if  
the -- and by the way, when you say the kitchen  
closes, they're done? Does the chef leave?

A. I don't know. Chef mean, like, if the  
kitchen is closed, we don't order more --

Q. Since you're a server, and since I don't know because I've never worked in a restaurant, according to you, but I've owned probably ten, but that's okay --

(Simultaneous speakers.)

Q. Since the kitchen closed and you've served the patrons, are you saying that they take an hour and a half before you give them a check and leave?

A. Sometimes more than that.

Q. And that was from during 2015 to 2018 when the restaurant first started out and it was very slow?

A. It wasn't very slow.

Q. Oh, it wasn't?

A. It wasn't.

Q. Okay. Okay. Were you ever hanging out at the bar after you served your customers?

A. Can you specify what does hanging out mean at this point?

Q. Yeah, standing at the bar?

A. If I have nothing to do, I might stand there and talk with my coworker.

Q. How many days a week did you work on average?

MR. DiGIULIO: Objection. Asked and answered. You can go ahead.

Q. Go ahead, yeah.

A. Well, five days -- five dinner shifts, plus two lunch shifts. So I had two days off. So basically --

Q. What days were that?

A. It wasn't permanent. It was changing.

Q. On average, any regularity?

A. It was changing. Mostly I would be off the beginning of week, never at the weekend.

A. Did I start with Monday?

Q. Please answer my question --

(Simultaneous speakers.)

A. I started with Monday.

Q. It's a yes-or-no question.

A. Wednesday and Thursday is not the beginning of the --

Q. That's it. That's all. I just want yes-or-no questions, please. Okay.

What were you paid by the hour?

A. Ten dollars.

MR. DiGIULIO: Objection to the form of the question. There's no time frame. But you can answer, if you know.

A. Five dollars an hour.

Q. Five dollars an hour?

A. Yes.

Q. Do you have any proof that you were paid  
five dollars an hour in 2015?

A. No, because I wasn't getting any pay stubs.

Q. But you only met a month ago to discuss  
this right?

MR. DiGIULIO: Objection.

Harassing the witness.

Q. Okay. 2016, what were you paid by the  
hour?

A. I don't exactly remember when it changed.  
But it was -- after we started at \$5 an hour and  
probably a year later, a little more after, it was  
7.25, I think, or 7.50. Not sure.

Q. Okay. In 2017, what were you paid by the  
hour?

A. It remained the same for, like, until I  
left 212 Steakhouse in 2018.

Q. So from two thousand -- because you state

you state that you worked from 2015 to 2018, and

A. As far as I remember, yes, it didn't change.

Q. What do you mean as far as you remember?

A. Again, I wasn't paid -- I wasn't shown pay stubs. So I don't know exactly how much I was getting. But it has never been --

Q. Well, we'll get to that because you kind of did payroll yourself, didn't you?

A. I did payroll --

Q. Let me finish, please. Let's satisfy Teneja. She's going to punch us both. Okay. I'm getting there.

Did you complain to anybody about that?

A. I didn't because I didn't know it was -- it wasn't correct or something.

Q. Did you ever speak to any other employee about getting paid 7.25 per hour?

A. I didn't. At the time, I didn't.

Q. Okay. Well -- what do you mean at the time? You mean you didn't?

A. I didn't. By that time, I didn't.

Q. In what month of 2021 did you have that conversation?

A. I exactly don't remember. It was probably May -- May or maybe April. It was not really a conversation. I just asked the question.

Q. Who did you have that conversation with?

A. Everyone was there, but mostly I kind of had a conversation -- I kind of asked that question to Sasha, which is Alexander Rinkovski (phonetic).

Q. Who?

A. Alexander Rinkovski.

Q. And who is he?

A. He's also a server.

Q. Alexander Mikovski [sic]?

A. Rinkovski.

Q. Rinkovski. And you just asked about overtime?

A. Yeah.

Q. What did he say?

A. He said he didn't know if we were supposed

2 to get any overtime at all.

3 Q. Were there ever any times since the kitchen

5 A. Well, could have been a couple of cases,  
6 maybe if it was a slow night, very slow, and we had  
7 to close a bit earlier.

8 Q. Would you call that restaurant a busy  
9 restaurant during the whole time you worked or slow  
10 restaurant or --

11 A. It's a busy restaurant.

12 Q. It's a busy restaurant. Okay?

13 A. Dinner is busy. I would say that.

14 Q. Okay. Let's focus on your tips now.

15 So you worked five days per week generally,  
16 right?

17 A. Mm-hmm.

18 Q. Well, most the time, actually, five days  
19 per week.

20 How much tips did you earn per week?

21 A. It's -- it's never the same number. It  
22 just changes.

Q. So on average for the five days -- like 200 and change per day; is that right? Is that fair?

A. Yup.

Q. Now, were those credit card tips or cash tips?

A. Credit card tips.

Q. What about cash tips?

A. We had some which was --

(Simultaneous speakers.)

Q. But you're not including that in there; is that correct?

A. No. That's the amount that would go on my paycheck.

Q. Okay. How much do you think you earned in cash tips?

A. I don't remember that exactly. But it wasn't much.

Q. Okay. Did you ever keep any --  
Withdrawn.

We'll get back to that. Okay.

1 N. Martinenko

2 How did you determine -- how did the tip  
3 process work at that restaurant?

4 A. Tip process meaning how did we split?

5 Q. Let me -- I'll withdraw the question. I'll  
6 state it differently. That wasn't a good question.

7 Yeah. So was there a process by which --  
8 well, let's start from the beginning. Were tips  
9 shared at the restaurant?

10 A. Yeah.

11 Q. Who did you share the tips with, the other  
12 servers?

13 A. Other servers, runners and bussers and  
14 bartender.

15 Q. And how was that determined?

16 A. Servers and the bartender would get one  
17 point. Bussers would get half a point, and I'm  
18 assuming runners was point 6, I think, point 6 or  
19 point 7.

20 Q. I'm sorry. Server and bartenders would get  
21 one point?

22 A. Yeah.

23 Q. Runners would get what?

24 A. Bussers would get half a point, and  
25 runners, I think it was point 6.

1 N. Martinenko

2 Q. Point six?

3 A. Point six, I think. Or point 7, but mostly  
4 it's six.

5 Q. And the bartender?

6 A. One point.

7 Q. So everybody's tips were compiled at the  
8 end of the night?

9 A. Mm-hmm.

10 Q. In 2016 -- what time was that done every  
11 night?

12 A. After the restaurant was closed.

13 Everyone -- every customer would leave after that.

14 Q. And who controlled that process?

15 A. Okay. So we would keep all our receipts at  
16 us during the night. And then at the end, every  
17 single server would process their own -- count  
18 their own tips in total. There was like this  
19 little paper that we would write down the numbers  
20 of tables and how much tip it came -- like how much  
21 they tipped and then total of the tip.

22 So every single server had the total of how  
23 much tips they made. And then we would put this  
24 together, we would calculate, and according to how  
25 many points was on the floor, we would split it.

1 N. Martinenko

2 Q. Was there one person in particular that  
3 controlled that process, or was it a communal  
4 thing?

5 A. Well, everyone was doing their own tips.  
6 But at the end we would do, like, total. It could  
7 be me or Sasha or someone else. It depends on who  
8 worked or who was willing to do it.

9 Q. Were cash tips included in that process?

10 A. Cash tips would go, you know, together on  
11 the table. And we would split it the same way, you  
12 know, with the points system.

13 Q. Let me ask you a question. So if you're  
14 telling me that you got 900 to 1,200 per week but  
15 it was just credit card tips, why are you not  
16 including the cash tips in that analysis? Because  
17 you said it was only credit cards?

18 MR. DiGIULIO: Objection to form.

19 You can answer, if you know.

20 A. I thought you were asking me about the  
21 paychecks. That's why I answered you --

22 Q. No. Well, let's go back to the question.

23 A. Mm-hmm.

24 Q. How much -- my question was how much in  
25 tips do you earn per week? Let me finish. You

1 N. Martinenko

2 told me 900 to 1,200. I said, Is that cash or

3 credit card? You said, Credit card. Why don't you

4 give me the real number including cash?

5 A. Okay. Well, cash wasn't really much, so I

6 would say 150 a week total.

7 Q. Okay. So now it's 1,050 to 1,300 is what

8 you're saying?

9 A. Yeah. Including cash, yes.

10 (Whereupon, a discussion was held

11 off the record.)

12 (Whereupon, a recess was taken at

13 this time.)

14 Q. In your opinion, how many customers, during

15 the five days you served, paid in cash?

16 Well, withdraw that question.

17 How about this: In your opinion --

18 (Whereupon, a discussion was held

19 off the record.)

20 Q. So in your opinion, how many tables did you

21 serve during five days?

22 A. Oh, that's -- I can't say really number.

23 How many tables during the week I served?

24 Q. Yeah?

25 A. I think -- oh, god. I have to, you know,

1 N. Martinenko

2 kind of re-imagine.

3 Q. I'll withdraw the question. How about the  
4 -- let's do it this way. Were you assigned a  
5 certain -- not because I know nothing about the  
6 restaurant business, as you said, but how many  
7 tables were you assigned? Were you assigned  
8 certain tables so --

9 A. There were sections. Okay. So one  
10 section, let's say, would have, like, seven  
11 tables -- six, seven, maybe more if it was super  
12 busy. And well, let's say I had to help out, like,  
13 another server. I might have taken one table from  
14 their section too. So it's just -- you know, it  
15 would have been six, seven tables in my section,  
16 maybe eight.

17 Q. How many sections were there?

18 A. One, two -- like depending on how many  
19 servers were there. Let's say if it was three, it  
20 was one section, the second one, and the one in the  
21 back. So it would be three sections. Yeah.

22 Q. How many tables were there? Do you know?

23 A. In each section?

24 Q. No, in the restaurant.

25 A. Total. I don't remember the number of

tables (unintelligible).

(Reporter clarification.)

A. I don't remember exact number of tables.

Q. When you served --

Withdrawn.

Did a runner ever come to you and ask you what table gets this? Were they ever confused as far as the food that was ordered?

A. No. Runner had a ticket that would say --

Q. And that had a table number on it, right?

A. Yes.

Q. And you don't know the number of tables in the whole restaurant?

A. I know -- I don't know how many tables are there because also tables work in a way where you can split them apart and put them together. Okay. So I knew the table numbers, but I don't know how many are there, you know.

Q. That's fair. Let's focus on the evenings that you worked, all right?

A. Okay.

Q. So you worked five days, and you had roughly six to seven tables per day?

A. That's not true.

1 N. Martinenko

2 Q. In the section --

3 (Simultaneous speakers.)

4 Q. How many rounds, so to speak, occurred each  
5 night? In other words, how many tables turned  
6 over? Was it once, twice, three times?

7 A. Twice, I would say.

8 Q. Twice. Okay. That's fine.

9 And did -- were the reservations consistent  
10 with that? We're going to turn over each table two  
11 times. Let's make it a 7:00, make it at 9:00.  
12 Whatever it was?

13 A. Yeah. We didn't really have a person who  
14 would kind of, like, assign the reservations at  
15 that point, like, to be smoothly transitioned to a  
16 second turn. But we tried our best to do it that  
17 way.

18 Q. That's fine. So if there were two times,  
19 and let's take -- let's just choose the number six.  
20 But I know you said six or seven. I'm not trying  
21 to confuse you. Let's use six.

22 That's twelve tables a night, right?

23 A. Mm-hmm.

24 Q. That's sixty tables for the nights you  
25 worked?

1 N. Martinenko

2 A. Mm-hmm.

3 Q. Just dinners. Of those (unintelligible),  
4 60 tables, how many paid in cash, in your opinion?

5 A. Approximately -- because lately most people  
6 paid with cards, and we were not happy about that  
7 either, but that's how it goes so. I would say  
8 maybe six or seven throughout the week.

9 Q. So ten percent roughly?

10 A. Yeah.

11 Q. What was the average check?

12 A. I -- okay. Again, this restaurant has very  
13 expensive items on the menu. So depending on --  
14 it's just really hard to say. Like what's the  
15 average. I would say -- let's say 200.

16 Q. Per person or total?

17 A. No, like per tab.

18 Q. Okay.

19 A. But it's only because I'm thinking about  
20 those two-tab tables that would try to order, like,  
21 less expensive things. And let's say their bill  
22 was 120, but then there is another table that would  
23 order something that would cost them 600. So I'm  
24 just, kind of, like, balancing it out and saying  
25 200.

1 N. Martinenko

2 Q. Two hundred to me seems on the low end for  
3 that menu.

4 A. No, I'm saying average. Like...

5 Q. Well, what was the -- just refresh my  
6 recollection. Not that it's that pertinent. But  
7 the combination with the wagyu beef and this and  
8 that, how much did that cost? Do you remember?

9 A. Um --

10 Q. That steak platter, I don't remember  
11 (unintelligible) --

12 (Reporter clarification.)

13 Q. Okay. I'm sorry.

14 How much -- to the best of your  
15 recollection, how much did the steak platter with  
16 the wagyu beef and the different kind of  
17 combination items cost?

18 A. That wagyu beef platter is \$225 with three  
19 different slices of wagyu on it. But it doesn't  
20 mean that everybody gets it.

21 Q. I understand. And that was for one person,  
22 correct?

23 A. Mostly it would be shared between two  
24 people.

25 Q. Okay. The tables that were in your

1 N. Martinenko

2 section, were they two-tops or four-tops?

3 A. Mixed. Both. Again, sections would  
4 change. So it's not the same thing.

5 Q. I could do the math, but let's move on.

6 While you were working at 212 -- that's the  
7 defendant. I'll just call it 212 for purposes of  
8 our conversation or discussion today at the  
9 deposition -- did you work anywhere else?

10 A. No.

11 Q. You never had another job during the day,  
12 night, or evening while you were -- during the  
13 times you stated you worked here, had any other  
14 employer?

15 A. There was this one situation when I was  
16 coming back to 212. In 2021, I had another job  
17 that I was, like, slowly, kind of, like, moving  
18 from there to 212. So --

19 Q. You're talking in and about --

20 A. 2021, yes. That's when I kind of had,  
21 like, the other job. But I've never had both  
22 restaurants on the same day, like, I had to run  
23 there and come here. No, it was always, like,  
24 scheduled in a way where I would be on time in both  
25 places, and it was just for a little bit. Then I,

you know, quit there, and I moved here, and I  
didn't have any other job.

Q. So at some point, you did have another job  
during the transition period; is that correct?

A. Yup.

Q. And how long do you think that was?

A. Maybe like two months.

Q. And that was in 2021?

A. Yeah.

Q. The cash tips you received, did you ever  
report those as income?

MR. DiGIULIO: Objection. Invasion  
of privacy. Irrelevant.

MR. SEGAL: It's not irrelevant.

MR. DiGIULIO: How is it relevant?

MR. SEGAL: Cash tips go into the  
tip (unintelligible).

MR. DiGIULIO: We're not having any  
allegations that there's misappropriated  
tips here.

MR. SEGAL: (Unintelligible) it's  
misappropriated because you're talking  
about nonpayment of minimum wage and  
overtime. The cash tips accord go into the

MR. DiGIULIO: The allegations (unintelligible) --

(Reporter clarification.)

MR. SEGAL: This is not a judgement. This is a complaint. It's an allegation. So I can ask that question.

MR. DiGIULIO: All right. Go ahead.

A. What was the question again?

Q. The question was: Did you ever report as income the cash tips that you received?

A. No.

Q. Did you ever --

Withdrawn.

Do you know that you're required to report that?

A. I did not.

Q. Did you ever tell management or ownership of the cash tips that you received?

A. Tell, like -- tell meaning, like, to let them know that I had cash tips today, every day?

A. No.

Q. How were you paid your -- how were you paid your wages, by check or cash?

A. By check.

Q. From the beginning of the time that you worked until the end?

A. Yes.

Q. And those checks were handwritten checks or payroll checks?

A. Handwritten checks that would come with a paper --

Q. A pay stub?

A. Pay stub, yeah.

Q. So you received a pay stub during all the time you worked?

A. Not all the time. Only on 2021.

Q. Oh, okay. So from 2016, which is the time period we're dealing with, to 2018, you did not receive a -- let's call it a pay stub?

A. No.

Q. What did you receive from 2016 to 2018?

A. Only handwritten paycheck.

Q. Okay. And then in 2021, you received a payroll check, not a handwritten check?

Withdrawn.

Did you know the hours that you worked from  
2016 to 2018 on a weekly basis?

(Simultaneous speakers.)

Q. I'm sorry.

A. I didn't track them. Like, I didn't  
memorize the hours. But I did work a lot,  
meaning --

Q. When you got the --

A. I would clock in and clock out.

Q. We'll get to that.

A. Yeah.

Q. When you got your check, did you look at  
it?

A. Well, I would look at the amount. But what  
else --

Q. Did you quantify that it made sense with  
the hours that you worked?

A. I did not. Because there was nothing to  
look at.

Q. But you just mentioned that you kind of  
knew the hours you worked, right?

1 N. Martinenko

2 A. Well, I knew approximately how much time I  
3 spent in the restaurant for the whole week. But I  
4 couldn't count it because they have us clock in and  
5 clock out, and they know it better than me. So I'm  
6 trusting them. They writing the checks.

7 Q. Let's go to, now, your -- your other  
8 services, because according to you, you did a lot.  
9 So did you do a payroll?

10 A. Only on 2021, and I didn't do a payroll. I  
11 was just writing checks.

12 Q. When?

13 A. On 2021.

14 Q. Well, how were you writing checks? The  
15 payroll company wrote the checks in 2021.

16 MR. DiGIULIO: Objection.

17 Mischaracterizes the testimony. You can  
18 answer.

19 A. Okay. Paychecks were handwritten. They  
20 would do -- whoever the person that was doing the  
21 payroll, calculating tips, deducting taxes and all  
22 that, it was someone else, not me. But then this  
23 finished up paperwork would be sent to me so that I  
24 have it. When it's time to pay, I would just have

(Simultaneous speakers.)

Q. I'm sorry?

A. 2021.

Q. That's it?

A. Maybe couple of times before, but it wasn't  
consistent. Yeah.

Q. You had access to the office, right?

A. Everyone did.

Q. You had access to the checkbook, was that  
correct?

A. Everyone did.

Q. You had access to the tip sheets; is that  
correct?

A. Everyone did.

Q. I'm just asking about you.

A. Yes.

Q. Did you take payroll information and make  
copies from that office?

A. No.

Q. You didn't?

1 N. Martinenko

2 A. I didn't.

3 Q. Did you take tip sheets and make copies?

4 A. No.

5 Q. You didn't?

6 A. I didn't.

7 Q. You're under oath, by the way.

8 A. So?

9 Q. And your attorneys showed us that at the  
10 last deposition.

11 A. But I didn't --

12 MR. DiGIULIO: Objection. That's a  
13 misrepresentation (unintelligible).

14 MR. SEGAL: You can object.

15 Q. Were any tip sheets done for lunches?

17 there wasn't, then no.

Q. Showing you Defendant's Exhibit 2. Do you  
know what that is?

A. Yeah, it's a weekly tips sheet.

Q. And were you involved in creating that  
sheet?

A. Not the template. But, you know, I  
could -- I was involved putting numbers down, yes.

Q. So this was for the week of 7/8 to 7/11/21,  
correct?

A. Yeah.

Q. Okay. Were you in control of that sheet?

A. Again, I did not create the template, but  
everybody who was finishing up the dinner shift,  
whoever was calculating the tips for the day at the  
end, they would write down the amount under -- on  
each name so...

Q. Did you provide that sheet to your  
attorneys at some point?

A. I did provide payroll, like, a pay stubs  
that I had received. I don't remember. I might  
have. But I don't think so. I don't think I sent

1 N. Martinenko

2 it to them.

3 Q. Well, that's an exhibit that was provided  
4 by your attorney.

5 A. Okay. So I guess I sent it to them, yeah.

6 Q. So how did they get that?

7 A. Well, for me to -- okay. For them to  
8 calculate the tips for the week, I had to take a  
9 picture of the -- of this on a Sunday night. It  
10 would have been me or Sasha or somebody. So, like,  
11 we were supposed to take a picture of it and send  
12 it to Imran, who, by himself, would send it to  
13 somebody else who was in charge to create the  
14 payroll. So it was in my phone.

15 Q. That's not my question. My question was  
16 how did your attorneys receive that sheet? Was  
17 that from you?

18 A. I sent it to them. How else?

19 Q. Was that -- did you take that from the  
20 office, the restaurant's office?

21 A. I had it in my phone already long time ago.

22 Q. Do you have pictures of all the weekly  
23 sheets in your phone?

24 A. The ones that I sent to Imran, yes.

25 Q. Did everybody take pictures of that?

1 N. Martinenko

2 A. Yes.

3 Q. All the waiters -- all servers? Excuse me.

4 A. Yeah. I mean, sometimes maybe busboys or  
5 runners -- because it was right there in the  
6 drawer. It was for people to see, like, how much  
7 are they making so...

8 Q. Let's look at the next exhibit, Exhibit 3  
9 which is...

10 A. This one.

11 Q. Now, this one doesn't look like a picture.

12 A. Okay.

13 Q. This you one looks like a form -- a copy of  
14 a form.

15 A. Okay.

16 Q. Did you supply that form to your attorneys?

17 A. I don't think so.

18 Q. No?

19 A. It's not -- I didn't have it.

20 MR. DiGIULIO: You guys produced  
21 that.

22 MR. SEGAL: Oh, we produced that?

(Simultaneous speakers.)

MR. SEGAL: All right. Withdraw  
the question. Okay. That's okay. We have  
others.

Q. Can I see Exhibit 4 for a second.

So I'll show you Defendant's Exhibit 4, and  
I refer you to Page 3. Can you tell me what that  
is?

A. It's not something that came from me for  
sure. But I'm assuming it's clock-in and  
clock-out, right?

(Simultaneous speakers.)

Q. So what's the top date that you see there?

A. Which -- hold on. What do you mean top  
date?

Q. On Page 3, so --

A. The top date mean- --

Q. Time in, what does it say?

A. 4:22.

Q. Right?

A. Right. Okay.

Q. And the time out?

A. 11:47.

Q. Okay. And the restaurant, as you stated,

1 N. Martinenko  
2 is closed from 4:00 to 5:00. Did you clock in and  
3 clock out during that time period?  
4 A. Wait. If I go there for dinner time and  
5 I'm preparing restaurant to be open at 5:00, when I  
6 go at 4:00, I clock in, and then I start working,  
7 right?  
8 Q. Is there a meal break at any time?  
9 A. Not really. I mean, they would provide  
10 food, but there was no break specifically --  
11 Q. What time did that occur? Sorry.  
12 (Simultaneous speakers.)  
13 A. It would be somewhere -- it would be  
14 somewhere, like, before we opened up. Like, 15  
15 minutes early. Like, let's say 4:40, 4:45, that  
16 was when we would get the meal to eat and then get  
17 ready to work. But there was no particular break  
18 for it.  
19 Q. Well, you weren't working during that time  
20 period were you?  
21 A. Well, we were eating. Yeah.  
22 Q. Well, I understand that. But you were  
23 eating?  
24 A. And?  
25 Q. You didn't clock in and clock out during

1 N. Martinenko

2 that meal break?

3 A. Okay. So let me put the -- most of the  
4 time when the meal was ready, we were also, like,  
5 about to open up. So I -- a lot of times I had to  
6 eat my meal inside the kitchen because there were  
7 already clients -- customers inside the restaurant.  
8 So, like, why would I clock out and clock in if I'm  
9 biting a meal and then I'm going and serving a  
10 customer, so...

11 Q. Did you sit and eat the meal?

12 A. Sometimes if they prepared it on time,  
13 meaning, like, if there was time for me to sit,  
14 yes.

15 Q. What time did the restaurant open up for  
16 dinner?

17 A. 5:00.

18 Q. 5:00?

19 A. Yes.

20 Q. So there wasn't any customers from 4:00 to  
21 5:00, was there?

22 A. Yes.

23 Q. So -- and that's when the meal was served;  
24 is that correct?

25 A. Meal wasn't served on time always.

N. Martinenko

Q. Well, it wasn't served at 6:00, was it?

A. No, but it was served sometimes, like, five minutes to 5:00, maybe at 5:00, so we already had doors open for the customers.

Q. Sometimes or always?

A. Sometimes.

Q. But what does "sometimes" mean?

A. I mean like two, three times a week at least.

Q. So you're stating that the meal would -- was served at five to 5:00 two or three times a week?

A. Yeah. No, I mean -- I'm not saying at 5:00 exactly. It was like close to 5:00. So there was no time for me to sit down. Not only for me but anybody.

Q. Let's look at this page for a second.

A. Mm-hmm.

Q. How many days are on this page?

A. On the whole page? Do you want me to count it?

Q. I'll count for you. How is that? One, two, three, four, five, six, seven, eight, nine; ten. One, two, three, four, five, six, seven,

1 N. Martinenko  
2 eight, nine; twenty. One, two, three, four, five,  
3 six, seven, eight, nine; thirty. One, two, three,  
4 four, five, six, seven, eight, nine; forty. So I  
5 got 46 days.

6 A. Okay.

7 Q. A month and a half roughly. Okay.

8 Of the 46 days, how many days does the last  
9 column show over eight hours?

10 MR. DiGIULIO: Objection.  
11 Misstates the document. Every entry isn't  
12 a distinct day. But you can answer the  
13 question.

14 A. Okay. So --

15 MR. SEGAL: Wait, what? Excuse me?

16 MR. DiGIULIO: So there are times  
17 for instance --

18 MR. SEGAL: It's only when it's  
19 over 12:00 that's (unintelligible).  
20 They're all the same days. And I believe  
21 that only happened...

22 MR. DiGIULIO: You're right.

23 MR. SEGAL: -- on one day.

24 A. Okay. What's the question?

25 MR. SEGAL: Can you repeat the

1 N. Martinenko

2 question?

3 (Whereupon, the record was read by  
4 the reporter.)

5 A. It shows three -- four.

6 Q. Let's look. So the first one is on 4/10;  
7 is that correct?

8 A. Yes.

9 Q. Actually I take that back. 4/9, I'm sorry.

10 How many hours -- we'll go back to that.  
11 So 4/9, 5/7, 5/15. So of 46 days, four of them,  
12 less than ten percent, shows that you're entitled  
13 to any of time --

14 MR. DiGIULIO: Objection.

15 Q. Is that correct?

16 MR. DiGIULIO: Misstates the  
17 document. You can answer the question.

18 (Simultaneous speakers.)

19 A. We are only underlining one particular day.  
20 But then if we count five shifts together where  
21 there are so many days where it's over seven  
22 hours --

23 Q. We're talking about the document. Let's

Q. Let's focus on that, and please just answer my question.

A. Okay. I'm trying.

Q. Well, answer it. It's not that difficult.

So four days out of 46 days, there's the minimum overtime. And the latest you've clocked out -- the only other time is two hours over, if that's correct. And by the way, did you clock in any time for lunch during these 46 days?

MR. DiGIULIO: I'm going to object to the statements made. And they misrepresent what overtime is. But you can answer the question.

A. What I'm seeing here is that this is a time -- the season of the year when the restaurant is the slowest. So I obviously was not really staying that long.

Q. March, April, and May?

A. Yes, sir. And also like -- that's pretty much it. And the reason I'm not clocked in for lunchtimes here is that this is kind of -- like, the time when I was transmitting from the previous job to here, and then I started taking lunch shifts.

1 N. Martinenko

2 Q. And so in your opinion, the end of March to  
3 the beginning of June is the slowest time?

4 A. Yes, sir.

5 Q. Okay. Do you know what spread of hours is  
6 by the way?

7 A. "Spread"? You can explain if you'd like.

8 Q. No. Just do you know what it is?

9 A. I don't know.

10 Q. Okay. Because you mentioned it in your  
11 complaint. So I would assume that you knew what it  
12 was. But you don't?

13 A. Spread of hours?

14 Q. Yes.

15 A. Well, I'm not sure. Yeah, I'm kind of --

16 Q. That's okay.

17 A. -- guessing.

18 Q. Please just answer the question.

19 And would you say that -- well, in your  
20 opinion what are the busiest months?

21 A. Busy starts in September, October.  
22 November, December. These are, like, very busy  
23 times, somewhat busy. January gets a little  
24 slower...

25 Q. Okay. So let's turn your attention to

1 N. Martinenko

2 Page 4.

3 A. Mm-hmm.

4 Q. And why don't we go to -- well, that's  
5 interesting.

6 So let's look at -- let's go with 9:24 on  
7 Page 4 where it says 7:58, right? And let's count  
8 some days here. So one, two, three, four, five,  
9 six, seven, eight, nine, ten, eleven, twelve,  
10 thirteen, fourteen, fifteen, sixteen, seventeen,  
11 eighteen. So there's eighteen days on this page.

12 And one, two, three, four, five, six,  
13 seven, eight, nine, ten. One, two, three, four,  
14 five, six, seven, eight, nine, ten,  
15 (unintelligible.)

16 (Reporter clarification.)

17 (Whereupon, a discussion was held  
18 off the record.)

19 Q. So there's 48 days on Page 5 of 5, and  
20 we're looking at 18, Page 4 of 5, which, according  
21 to you, is the busiest time period?

22 A. I think you're missing 9/23. That also --

23 Q. You want to include that? We can include  
24 that.

25 A. Isn't it September though?

N. Martinenko

Q. Yeah. So let's make it 19. That's fine.

So of these 19 days -- well, you want me to include eight hours and one minute, I (unintelligible). Of these 19 days -- one, two, three, four, five, six, seven -- only eight days are over eight hours; is that correct?

A. Are we just looking at this page, right?

MR. DiGIULIO: I don't know.

THE WITNESS: Because I don't know.

This is half of October. This is half of September. So I don't know.

MR. VOLPER: (Unintelligible.)

Q. We can play this game all day long, but the busiest time period, according to you, maybe some days you've worked over eight hours. But if we add up the weeks, I don't think there's any overtime on it.

MR. DiGIULIO: Objection to the form of the question. Again, it misstates the overtime requirements (unintelligible). You can answer.

MR. SEGAL: No, I agree with that. I'd rather do the weekly to be honest with you, but I'm just going through.

1 N. Martinenko

2 Q. So you say you worked every week over 40  
3 hours, but does this indicate that?

4 MR. DiGIULIO: Objection. This  
5 misstates what's written in the complaint.  
6 You can answer if you know.

7 A. I would not like to answer that. The  
8 numbers --

9 (Reporter clarification.)

10 A. I'm not understanding because the numbers  
11 speak --

12 Q. Well, you have to answer.

13 A. Answer what?

14 Q. Doesn't it indicate different than what you  
15 stated in the complaint?

16 A. I don't think so.

17 Q. How is that?

18 A. That's my opinion.

19 Q. Do you want to go through the numbers?

20 A. No.

21 Q. Okay. Is it your opinion, or is it based  
22 on the time in and time out?

23 A. Well, my opinion comes out of the numbers  
24 that I see here.

25 Q. Well, then let's do that, because I don't

see that. So show me -- show me that you worked in excess of 40 hours, and this is just one random time sheet. We can do it all day long. Show me where you worked in excess of 40 hours, which you stated in your complaint from Page 3 to Page 6 or 5?

A. Where -- are we on Page 4 now?

(Simultaneous speakers.)

MR. DiGIULIO: Objection to the form.

A. I think we were counting September, and you were putting me back to Page 3, which is, I think, June or July. So if we are counting September, right here; 11 hours and 40 minutes, 7 hours and 58 minutes, 8 hours and 1 minute, 13 hours, and 11 hours plus minutes. It already indicates it's over -- way over 40 hours. So I don't want to talk about this because numbers are here.

Q. No, it's really not. What about the next page? You said every week.

MR. DiGIULIO: Objection. That mischaracterizes the complaint.

MR. DiGIULIO: Sure. Forgery. Go  
for it.

MR. SEGAL: What?

MR. DiGIULIO: Continue.

Q. Do you have a good relationship with  
Nikolay?

A. I did.

Q. What happened with that relationship?

A. I don't know. He knows better.

Q. Well, I'm asking you, not him?

A. Well, I was very respectful. But then, you  
know, just because I got sick, he was really mad at  
me, and then it went south, our relationship.

Q. When you say you got sick, what do you mean  
by that?

A. I was infected with COVID.

Q. When did that happen?

A. In December, closer to Christmas. I don't  
exactly remember the date.

Withdrawn.

Were you still working at the restaurant  
when you got COVID?

A. When I learned I had COVID, I didn't go to  
the restaurant. Before I worked there, yes.

Q. Did you have any signs or symptoms when you  
were at the restaurant prior to you learning that  
you had COVID?

A. No.

MR. DIGIULIO: Objection to the  
relevancy of the question.

MR. SEGAL: It's relevant.

MR. DIGIULIO: How is it relevant?

MR. SEGAL: Because it affects her  
employment at the restaurant, and it  
affected the restaurant. The restaurant  
had to close due to her --

MR. DIGIULIO: You withdrew the  
allegations. Are you going to bring them  
up now again?

MR. SEGAL: Yeah, I'll bring them

3 MR. DiGIULIO: He, under oath --

5 MR. VOLPER: I don't withdraw

7 MR. DiGIULIO: You testified under

9 MR. VOLPER: No, we never -- we  
10 said we're going to sue in a different  
11 court.

12 MR. DiGIULIO: All right. Well,  
13 then we're not going to answer any  
14 questions about this. It's a discovery to  
15 another pending action.

16 MR. VOLPER: Yeah, but the law  
17 required she to be fully vaccinated in  
18 order to work. So it's relevant to any  
19 labor-related cases. It's a law --

20 MR. DiGIULIO: Please instruct your

invasion of privacy, and it's irrelevant.

MR. SEGAL: It's not. It's related  
to the restaurant. It was a Cuomo law.  
She had to get vaccinated.

MR. DiGIULIO: Your employer had to  
enforce Cuomo law. We're not going to  
answer this.

MR. VOLPER: I'm not enforcement  
agency, my friend. I'm not enforcement  
agency.

MR. DiGIULIO: Oh, you didn't

MR. VOLPER: I'm not a enforcement

MR. SEGAL: Okay. You want to do this?

MR. DiGIULIO: I don't.

MR. SEGAL: Let me ask a couple of other questions. Let's see. Okay? Let's take it --

Q. Talk to me about your -- what happened, how were you terminated from the restaurant?

A. I was terminated over phone that I was not supposed to come back after -- actually it was, like, I literally had to take these words out of his mind -- mouth, because he wasn't telling me that I was fired. He was just lying to me that,

oh, it's not busy now. You can stay home. Then I had to tell him that it wasn't true because I could see the reservation -- there are a lot of reservations. It's not slow. And then at the end, I finally got him to say, you know what, I don't need you anymore. You're fired. So that's how I got fired.

Q. If you weren't at the restaurant, how did you see the restaurant?

A. Well, I worked. After I recovered from the COVID, I worked two shifts. And then I could see the reservation.

Q. When did you get COVID? Do you remember the exact day?

A. I don't remember the day, but it was like a mid-December, like closer to Christmas so...

Q. Okay. And when you had COVID, you didn't come into the restaurant?

A. I didn't.

Q. And then when you came back that one day, you were done with COVID?

A. Yes.

Q. Okay. And after -- and what was that, that day?

1 N. Martinenko

2 A. I'm not sure. I might be -- it would be a  
3 mistake. But I think the last time I worked was  
4 December 28, or 27. 28, I think.

5 Q. And then is there a schedule that you  
6 looked at and saw you weren't on on the 29th, or  
7 how did that --

8 A. I'm assuming I was just informed over the  
9 text message to, you know, like that I was supposed  
10 to go in work.

11 Q. By the way, I never asked you this  
12 question. In 2018, how did you leave the  
13 restaurant?

14 A. I just had another job offer and I just  
15 ended.

16 Q. What job offer was that?

17 A. It was another restaurant job.

18 Q. Is that the same restaurant you mentioned?

19 A. Which did I mention?

20 Q. That you were working at both places at one  
21 time?

22 A. Oh, no. It was the different one.

23 Q. Okay. And why did you leave that  
24 restaurant?

25 A. I couldn't get used to environment. It

Q. What kind of restaurant is that?

A. It's called Nusr-Et Steakhouse.

Q. Nusr-Et --

A. Nusr-Et. Nusr-Et is the name of the  
Turkish Salt Bae chef.

Q. Where is it located?

A. It's on 53rd and 5th Avenue, I think. It's  
like an old China Grill.

Q. Oh, the old China Grill location?

A. Yes.

Q. Did they terminate you, or you left on your  
own?

A. I was going to leave, but then they  
terminated too. Like I was -- it was a  
termination. But actually, I was going to put in  
my two weeks that day, but they were --

Q. What was the basis of that termination?

A. They didn't really have any reasons. They  
just -- they said that they were overstaffed and  
they didn't need me.

Q. Did you file a lawsuit against them?

A. No.

(Whereupon, a discussion was held  
off the record.)

Q. When you first started working with the  
restaurant, after your year-end wage statement, did  
you receive a 1099 or a W-2?

A. Are we talking about 212 Steakhouse?

Q. Yeah. I forgot about -- we're past the  
other restaurant.

A. At the end of the year?

Q. Yes.

A. The tax season, yeah, I got the 1099 form.

Q. Do you know what a 1099 form is?

A. I know that it -- what I know about 1099 is  
that your taxes are not deducted during the weekly  
salary, and then you --

Q. Did you file a 1099 form?

A. Yes, of course.

Q. Personally or through an entity?

A. No, I had an accountant I went to.

Q. Who filed that tax return? Was it you  
individually or an entity? In other words, who  
filed the tax return?

A. I didn't do it myself. I went to an  
accountant.

understand the question.

Q. Who's the filer? Was it Nino Martinenko or  
a was it a corporation or a --

A. No. It was me. It was me, of course.

MR. DiGIULIO: Who did you guys  
issue the 1099 to?

MR. VOLPER: You want me to answer?

MR. SEGAL: No, I don't.

MR. VOLPER: You want me to answer?

MR. SEGAL: I don't. I don't.

Let's take a two-minute break. But  
I think we're almost done.

(Whereupon, a recess was taken at  
this time.)

Q. When was the first time you told Nikolay  
Volper that you weren't feeling good around that  
Christmas holiday?

A. I actually texted him. I can look up in my  
phone if you want, but I don't remember a date.

Q. What was the rest of that --

A. I texted him saying I got COVID. And then  
his reaction was like, Oh, that's bad, or something  
like that. I think nothing else.

Q. Were you ever in the restaurant prior to that date with symptoms?

A. No.

Q. And once you felt you had the symptoms, you never went into that restaurant?

A. No.

Q. Did you ever wear a mask in the restaurant?

A. When we had to wear it, I was wearing it.

But there was, like, some time that it wasn't a mandatory thing, so I wasn't wearing it.

Q. Was anyone else in the restaurant sick, to your knowledge?

A. To my knowledge, it was a hostess girl and me. Nobody else really had COVID. Hostess is someone that I had basically no contact with.

Q. Who is that?

A. I don't remember her name. It was a girl that would just come on the busy day. She would be standing by the door, and I would be busy on the floor. So I did not have any contact with her to my -- would you like to hear my opinion? I think it was a customer --

(Whereupon, a recess was taken at

Q. Were you familiar with the vaccination law  
at the time you were sick in relation to the  
hospitality industry?

MR. DiGIULIO: Objection. Don't  
answer that. It's irrelevant, and it's  
invasive.

Do you want to call the judge to  
ask this question?

MR. VOLPER: Let's call the judge.  
Yes.

MR. DiGIULIO: Sure.

MR. VOLPER: Okay. Let's do it.

MR. DiGIULIO: I'm not going to  
call.

MR. VOLPER: Call the judge. It's  
a law. A law to work. It's related to  
labor.

MR. SEGAL: Let's just call to get

this resolved. Okay?

MR. DiGIULIO: What's your position about it's relevancy? You should call. I'm just curious.

MR. VOLPER: (Unintelligible) law.

MR. SEGAL: It's related to the hospitality industry. Employees had to be vaccinated. It's related to, somewhat, her termination. She's saying she was wrongfully terminated.

MR. DiGIULIO: No, she's not. There's no claim for wrongful termination, so please call.

MR. VOLPER: Is she -- if she can work illegally in your opinion.

MR. DiGIULIO: Whether she can work or not is actually relevant, her work status.

MR. VOLPER: (Unintelligible.)

(Reporter clarification.)

MR. DiGIULIO: This is off the record.

MR. SEGAL: Defense is done asking  
Nino Martinenko any questions at this  
deposition. And if Plaintiff's counsel  
wants to --

MR. DiGIULIO: I have one question.

EXAMINATION BY

MR. DiGIULIO:

Q. So Nino, did anyone instruct you to clock  
out for the time that you were eating a meal shift  
during your time at 212 Steakhouse?

A. No.

MR. DiGIULIO: Okay. That's it.

You can follow up on --

MR. SEGAL: You want to follow up?

MR. VOLPER: I want to say  
something.

(Whereupon, a discussion was held  
off the record.)

FURTHER EXAMINATION BY

MR. SEGAL:

Q. Back on the record. So Nino, the time  
records reveal that sometimes you did clock in and  
clock out during break. Not often, but you did?

A. I would clock out if I had a lunch shift.

I would clock out, take a little break. Maybe breathe some air outside, and then I would go and come back. Why would I stay clocked in if I was --

(Simultaneous speakers.)

Q. Who told you to do that?

A. It was common sense. I didn't need anyone to tell me that.

Q. No one at all told you to do that?

A. No. I just clocked out because I thought it was fair to do.

Q. Did other employees do that?

A. I don't know. I didn't look at what they were doing?

Q. Were you involved in the records?

MR. DiGIULIO: Objection. Vague.

You can answer.

A. I don't get the question.

Q. Okay. Didn't you see -- did you ever review the time records when you were involved in the payroll?

A. How could I see it?

Q. Printed off the machine?

A. I did not have access to it.

Q. So you, on your own, decided to clock in

1 and clock out during your days that you had the  
2 double shift?

3 A. Yes. Maybe I took it as an example from  
4 someone else prior to that. I'm talking about  
5 years ago when I first started. But in general,  
6 it's common sense if I'm not inside the restaurant  
7 and I'm outside taking a break, it's a common sense  
8 to clock out. I think so, right?

9 Q. Did you do that all the time?

10 A. Yes, if I was going outside the restaurant  
11 and I was on a break, I was doing that all the  
12 time.

13 Q. And the 4:00 or 5:00 meal break, you never  
14 did?

15 A. No.

16 MR. SEGAL: No further questions.
